

TCDLA DWI DEFENSE SUPER COURSE SFST/DRE/ARIDE

Austin, Texas – February 7 – 10, 2024: 23.25 CLE 3.0 Ethics – Space is Limited!

Course Directors: Tyler Flood, John Collins, and Michael Gross

Overview

TCDLA proudly presents the first-ever, one-of-a-kind NHTSA DWI Investigation Super Course in Austin. This 4-day course will combine education on SFST, ARIDE, and DRE. Most seminars split each of these 3 curricula into separate courses. For the first time ever, TCDLA has combined all the NHTSA DWI Investigation courses into a one-time, one-place, one amazing town education. This extremely unique course is a MUST for any attorney that handles even ONE DWI case.

LEARN the official:

- **SFST curriculum** and proper test procedures and how to discredit it in court.
- **Drug Recognition Evaluation**, proper test administration, Matrix and Face Sheet science, and in court strategies to combat the testing.
- **ARIDE** course and how to attack the government's case in trial. **ARIDE is the current curriculum** being used by police officers in detecting impaired driving involving alcohol and drugs.

Participants will leave with a full arsenal of knowledge about all NHTSA DWI detection tools. The class will culminate with a live dosing and impairment detection session (we will take volunteers from the attendees).

The All-Star lineup of speakers consists of Tyler Flood, Texas DWI attorney; John Collins, DUI Attorney, and former police officer, dually licensed in Texas and Arkansas; Sgt. Don Egdorf, Top DWI Task Force cop. +++PLUS+++ bonus speakers to be announced - **you won't want to miss the event!**

Included: Printed NHTSA manual and electronic manuals, including the new 2023 manual, will be provided to every attendee. This is the DWI Trial Lawyers tool, and a must have to take into battle.

FINAL EXAM: A one-hour final exam will consist of 50 multiple choice questions on Saturday. **All passing grades will be rewarded with a beautiful TCDLA completion certificate and your very own Portable Breath Tester device...courtesy of TCDLA.**
